Dear Secretary Todman:

It is no wonder there is so much interest in what is happening in Jonestown, Guyana. The programs there are so unusual, and benefitting so many people who were a burden to the taxpayers here. Perhaps this great experiemnt in human and religious faith will provide models for building a more constructive life in our cities here. ~~Cities~~ Certainly, the work of Rev. Jones should be recognized for all the good that is being done.

Ms. Tommie Rochelle
